

# LIFE GROUP GUIDE

Encourage each other by sharing how God has answered a prayer or worked in your life this week.

How has God challenged you through this week's message/passage? What impacted you?

Read Heb 13:1-3. These verses are tied together and build on each other: v.1= "keep doing this;" v.2= "do not forget this;" v.3= "continue to remember this." How does each verse expand our reach outward? Share a time when you were a recipient of any of these areas, and how did that strengthen or encourage you?

Read Heb 13:4. How does honoring and protecting our marriages demonstrate love for the Church (strengthen the Church) ... or how does dishonoring marriage undermine and weaken the Church? How do we stand firm when all of culture seeks to cheapen, undermine, and ultimately destroy marriage?

Read Heb 13:5-6. Contentment and covetousness are polar opposites. How does our contentment demonstrate our trust in/dependence on God, and how does that = loving the church? Where/when do you struggle with contentment? When do you find covetousness creeps in, and how do you overcome it?

Read Heb 13:7-8. How are we instructed to love the Church? How does following our leaders = loving the church? How does the writer qualify which leaders? Read what Paul wrote in 1 Cor 4:16, 11:1; Eph 5:1. What does v.8 add to the mix? How does this verse support Jesus' deity?

## Action Plan – Point to Ponder:

Last week we looked at the "Power to Love." It doesn't come from us but from God through His Holy Spirit at work within us. Loving the church means loving people, often people who are unloving and unlovable. Pray for one another for strength, guidance, wisdom, grace, mercy, and perseverance, as you seek to love the Church one person at a time.
