

Welcome to Lazy Mountain Bible Church,

We are so glad you joined us. Our family-volunteers are excited to partner with you in sharing the gospel to your child/ren through Bible lessons and learning activities.

Every time you join us, please make sure you sign your child in at one of our check-in stations and have them wear their check-in stickers. Children in nursery, preschool, and downstairs classrooms **must** be retrieved with their matching stickers at time of pickup. The check-in number will also be used in the church on the main screen if you are needed to help assist your child. Teachers may also send a generic text to the phone number you provided at time of check-in. Children in kindergarten to 5th grade classes will be released after class ends and can meet you in the foyer, unless you wish for them to stay in class to meet you. Please communicate with the teacher your preferences for elementary aged children.

We love parent volunteers. If you are interested in staying in class with your child as a helper, please connect with us so we can have you begin our volunteer process. All of our volunteers attend our protection policy class and have passed a background check. They also attend our Connect Classes which are classes that teach LMBC's statements of faith and explores one's spiritual gifts.

On Sunday mornings we have three services. We currently offer k-5th grade Sunday school, preschool, and nursery at **8:00 am and 11:30 am**. These classes are broken into specific age groups. At **9:45 am**, we offer nursery, preschool church, and children's church. These are usually larger classes that combine multi-level grades. Please keep an eye out in our weekly communicator for information about special schedules.

To stay up-to-date on all things kids, please read the weekly communicator, join our church Facebook or join our Children's Ministry Remind group (Text @lzymtn to 81010). Our Remind groups are the best way to get information delivered directly to you.

Please reach out if you have any questions or concerns.

Extra Info and Policies:

Please **retrieve** your child/children no later than 10 minutes after the service ends. This allows for our teachers to have adequate time to clean classrooms and get to their next engagement.

Please keep an eye on your children between services and help stop them from running through the church. This helps keep all of our church attendees safe, especially the elderly.

Sick policy: we ask that you keep your child/children home if they have had a fever, diarrhea, or have been throwing up within the past 24 hours.

Nursery is a drop-off class only. Due to extra sanitation measures and trying to reduce interruptions for our youngest children, we ask that you do not enter the nursery until you have become a nursery volunteer. We do have a nursing room in the back of the nursery. If needed, please knock on the nursery door and a nursery worker will guide you to the correct room. You will have to remove your shoes.

Allergies: for younger aged classrooms, we provide Veggie Straws as a gluten and dairy free option. Your child's name tag will indicate their allergy information provided at time of registration. Please verbally tell the teacher your child's needs to help us keep a safe snack area.

Sibling Pick Up: We only allow older teenage siblings to pick up their siblings with the name tag. Please arrange this directly with the teacher. Younger siblings attempting to pick up their siblings will be directed to get their parent to assist.
